Pricing Transparency

*At Enso Sonic, we price our services based on a clear hourly rate of **\$50/hr**, reflecting our professional expertise, advanced equipment, and specialized audio-visual training.*

Base prices listed in our packages cover typical project scopes. However, we understand each project is unique. If your project requires additional effort—such as extra speakers, extended content length, additional revisions, or advanced edits—we transparently quote add-ons upfront.

Common Add-ons:

- Extra speakers: \$100/speaker
- Extended podcast episodes: \$50 per extra 15 mins
- Additional short-form video edits: \$150 each
- Advanced motion graphics or animation: quoted per project
